

INSIDE IMMANUEL

Faithful to God's Word – we receive, celebrate and share Jesus Christ.

Staff: Alice Pommerenke, Elizabeth Bach & Dave Wiltse

WHAT A JOY!

On May 6, 2018 nine young persons from our congregation will confirm their faith in Christ. They will stand before our congregation and proclaim the faith given them in their baptism. Further, they will pledge that they believe that the Bible is the Word of God. They will confess that they hold to the teachings of our Lutheran church. They will promise to suffer all, even death, rather than fall away from this faith and belief.

These nine young persons have been taught, not just in confirmation class, but by teachers, parents, sponsors, grandparents, siblings, and friends. They have worked hard to learn the doctrines proclaimed by Jesus in the Word of God. What a joy to hear them proclaim their baptismal faith before the church on May 6.

So what can you do? First, you can pray for these nine confirmands. They need your prayers! They are graduating from eighth grade and entering into high school. Will there not be pressures there to renounce the faith? As they make their solemn vows on May 6 will the devil not do all he can to get them to reject Christ? Pray for our confirmands that they stand firm in the faith! Pray for them that they continue to receive the gifts of God through Word and Sacrament.

Beyond prayer, please encourage them. These nine are all members of your congregation. You will see them in church or around town. Encourage them! Remind them of the joy you have in them. Ask them questions about their lives, they are all very interesting and talented young people. Build a relationship with them in Christ, after all, they are your brothers and sisters.

You can also plan to be there when they are confirmed- May 6 at our 10.30 am service. Isn't it worth hearing their confession of faith? Isn't it well worth encouraging our confirmands that special day? Please be with us for their confirmation. This day is important for our confirmands and our congregation. We are welcoming nine new communicate members into our fellowship; so let's do this with great joy and thanksgiving to our Lord and Savior Jesus Christ.

How blessed we are to receive our confirmations. How blessed we are to hear their confession of faith. How blessed we are to pray for them and encourage them. How blessed we are to be their brothers and sisters in Christ.

We rejoice with Noah Crumm, Joshua Eurich, Emma Kaiser, Ruby Kauffold, Jaden Kieliszewski, Cordelia Koepf, Brooklyn Kuhl, Adam Maust, and Bailey Weir as they confirm their faith in Christ and join us as members of Immanuel. Rejoice as you hear them proclaim their faith. Rejoice as you see them receive the body and blood of their Savior. But don't keep this joy to yourself, let our confirmands know how joyful you are!

In the Name of Jesus,

Pastor Boyer

CTK School News

Is the snow gone yet? Grace and peace to you from Jesus Christ. Christ the King has been quite busy during the month of April. May does not seem to be lightening up in the schedule either. During the early part of the month of April, the second through fourth grades performed a play called "The Amazing Grace Race." They performed an afternoon matinee which the entire school body attended. They also held an evening performance on the next day. There were over 250 people who came to see OUR students share their faith through song, dance, and theatre. Thank you to Mrs. Engelhard, Mrs. Kunderinger, and Mrs. Yoder for your hard work.

During that same week, the Junior Children's Choir and Chorale traveled to Dow Diamond to sing the National Anthem for the game. Unfortunately, outdoor weather did not cooperate and the 200 people who came to see the kids sing and a game of baseball were left wet and without a singing gig. However, the kids were able to perform their rendition of The Star Spangled Banner because Dow Management asked our kids to sing to the Great Lakes Loons and their skipper under the stands. It was a pretty powerful experience hearing all those kids honor the United States by singing in such a closed room. The sound was awesome. The choirs did get to give high fives to the team as they were walking back to the clubhouse. Thank you Mrs. VanTol for setting up that awesome experience. Perhaps next year we could try it again?

Christ the King Lutheran School would like to make a MAJOR announcement. When you see Mrs. Vermeersch, Mrs. Werschky, Mrs. Kaiser, Mrs. Engelhard, Mrs. Kunderinger, Mrs. Yoder, Mr. Bunke, Mrs. Brink, Ms. Canfield, Mr. Deneen, Mrs. Bunke, Mrs. Mammel, the pastors, the CTK Board of Education, and the parents who have served on the accreditation team, give them a hug and thank them. This past Tuesday and Wednesday, the NLSA visitation team reviewed

the Self-Study report submitted by these servants of God. After their review, the visitation captain informed the faculty, staff, and Board of Education of Christ the King that they will be recommending full accreditation for CTK from the National Lutheran School Accreditation Committee in St. Louis, MO. I am certainly proud of this honor for OUR school.

Moving to a different topic but still proud of her effort, it is again my pleasure to announce that Christ the King has a student who has been selected honors in the Life Issues Competition from Lutherans for Life of Michigan. Last year, Miss Emma VanTol had a wonderful artistic piece which the head of Lutherans for Life in Michigan personally called me to thank CTK for letting her participate in the competition. I will be waiting for that same phone call. CTK would like to announce that Ms. Emma VanTol has again received recognition in the artistic project division. This year, she won second place in the same division. Congratulations Emma! You have a wonderful God-given talent. Please continue to use it for God's glory! Oh yeah, she gets a certificate and a check this year again.

Mrs. Kunderinger and the 3rd grade class are participating in a six-week course from our friends at Scheurer Hospital. Mrs. Kunderinger has invited the ladies of Scheurer to teach "Think First" to her students. The students learn about brain and spinal cord injury prevention. Following the last class, students then receive a free bike helmet.

CTK Sports Physical Day will be taking place on Thursday, May 10th. Dr. Scaddan and his crew of support staff will be coming to CTK to give sports physicals for students playing sports next year at CTK and USA. Students will need to bring in \$10 for the physical. A form will be available from Mrs. Gremel shortly. In the past, Dr. Scaddan has donated all proceeds back to CTK athletics. Please note that your athlete will need a sports physical to participate in any sport at CTK or USA next year before they can even practice, play or participate. These physicals will be held during the school day so

you do not have to take off of work to do so. What a convenience!!!

Mr. Kaiser had the awesome opportunity to take a super smartie cutie to lunch recently. Miss Brielle Mallais, a 1st grader at CTK, won her classroom's spelling bee. As tradition holds, Mr. Kaiser takes the winner out for a lunch date to McDonalds. Congratulations to Miss Brielle. Keep up those study skills, Miss Mallais.

Coming up in May, CTK will be holding its first ever athletic banquet on Monday May 1st. The very next day, CTK - Sebewaing will be holding a prayer walk to participate in the National Day of Prayer. Finally that week, Mrs. Ilse Goebel, will be giving a first person account of her memories of living through WWII in Germany. She is the grandmother of Miss Emma and Mr. Elijah Kaiser. CTK will also be hosting its Sports Physical Day on May 10th. Thank you to Dr. Scaddan for again providing this service to CTK families. Musical students will also be taking part in the MusicFest at Valley Lutheran on Thurs, May 17th. CTK will also be holding Field Day on Friday, May 18th. The 8th grade will be invading Washington, DC, during the week of May 20th. Something new that will be happening is a boaters' safety class will be taking place on May 31st and June 1st. This will be taught to the 7th and 8th graders. There are a few spots available for interested teenagers.

Finally, it has been a pleasure serving the families of Christ the King Lutheran School. You have been our family and our support. The decision to leave CTK was quite a hard one. However, we feel that God is leading us to Shawano and St James. Thank you for the opportunity to serve God by instructing your children about Jesus' love for them. God's blessings to each and every one of you.

I pray that you make a difference in God's ministry this week. David Kaiser, Principal

Music Notes

Thank you to everyone who brought brownies and lemon bars for the Spring Fling concert reception. A special thank you to the Zagatas for providing the ice cream. The "scooping staff" did a brilliant job of it, as well as the "punch person". The concert was wonderful and fun! The performers did a great job of it! I believe we've begun a new tradition at our church and school. So this was the first annual Spring Fling concert and reception. Right? \$750 was received in the offering which will be designated for the Handbell Fund. Thank you to all donors.

I've been watching for quite awhile for a used marimba that would meet our "pocketbook requirements" and would be of good quality. Such an instrument was found on Craigslist. I drove down to Ohio on April 24th with an ILC friend to pick it up, since the seller was not willing to ship. This marimba will be used by the percussion group I work with at CTK. Some of the students will play on Confirmation Sunday.

When the organ repair work has been concluded, there will be a Sunday when we dedicate and re-dedicate our instruments to the glory of God.

Please keep the music ministry of Immanuel in your prayers.

Christ is Risen! Alleluia!
